

The Alliance of Confessing Evangelicals is a coalition of pastors, scholars, and churchmen who hold the historic creeds and confessions of the Reformed faith and who proclaim biblical doctrine in order to foster a Reformed awakening in today's Church.

LOOKING FORWARD

This overview of the Alliance of Confessing Evangelicals' accomplishments is an encouraging look at how God has provided. It shares the concerns of our members regarding the Church and our responses and outcomes. But I include this short note looking forward to the work that is before us.

The Alliance continues faithful Bible teaching, sharing clear, biblical doctrine through media, events, and publishing. Moving forward we seek new methods to teach and encourage others to remain strong in their faith and assist our members in fostering a Reformed awakening.

The *Cambridge Declaration* states:

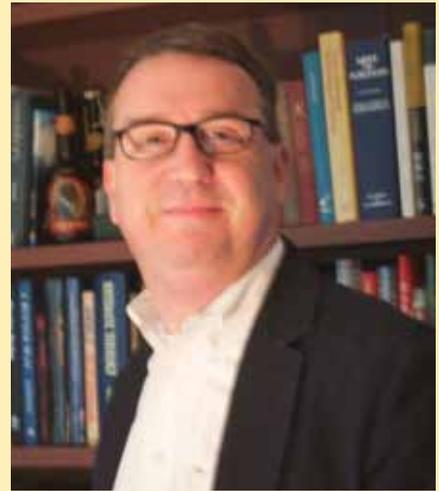

Evangelical churches today are increasingly dominated by the spirit of this age rather than by the Spirit of Christ. As evangelicals, we call ourselves to repent of this sin and to recover the historic Christian faith.

The Alliance continues working to this end via a number of mediums and outlets – both time-tested and newly developed. Sharing the life-changing message of the Gospel, multiple Alliance broadcasts air on stations across the country and can be

downloaded or streamed online. Podcasts **Mortification of Spin** and **Theology on the Go** reach an entirely different audience with thoughtful cultural critique and important theological discussions.

Events including the **Philadelphia Conference on Reformed Theology** and Texas Hill Country Bible Conference, encourage and spread God's Gospel of Grace. We look forward to eleven events in 2015 – a record for the Alliance! These events expose people to excellent Bible teaching leading to solid doctrine.

While many look to divide and separate, Alliance **Reformation Societies** stand with others. They join by holding fast to the inerrancy of Scripture, the foundation of the confessions, and they transcend denominations.

Evangelical churches today are increasingly dominated by the spirit of this age rather than by the Spirit of Christ. As evangelicals, we call ourselves to repent of this sin and to recover the historic Christian faith.

We fulfill our mission through hard work. But we are few and need you alongside us. The support of members like you enables the Alliance to encourage and foster the Reformed awakening our members seek. We pray you continue to stand firm, join in the work and its excitement, and share the Alliance with others.

Critical Issues of Alliance Members...

...The Alliance Response

Ignorance of biblical knowledge and application, especially doctrine; biblical and doctrinal ignorance; rapid decline in biblical teaching as foundation in pulpits; decline in local church Christian education; most Christians are on a first-grade Grade level in Theology.

Events across the nation unite people through fellowship around sound doctrine preached.

Articles and podcasts address a variety of timely topics and doctrinal truths.

Decline of the Church is far more disturbing than the decline of our culture. Our greatest concern should be the lack of deep understanding and serious thought to “the Faith once for all delivered to the Saints.”

Doctrinal Relevance that allows the culture and the world to influence teaching, preaching, programs; entertainment in the church; compromise with the culture; dumbing down Christianity to make it relevant.

Publishing, both print and digital, books, booklets, and articles equip readers with the solid, biblical truth needed to stand firm in their faith.

Equipping churches across the world with resources for their pastors and congregations.

Lack of Authority political correctness, moral relativism, secularism in the Church and the culture; authority of God’s Word and His sovereignty in our everyday life; compromise in doctrine; faithfulness to the Gospel.

Denial of Absolute Truth Truth is the Truth whether you agree or disagree and choose to reject. Church seems to be more concerned with numbers and belief that we must look like the world instead of truth and substance; downgrading of God’s sovereignty and power in the world —“Tolerance” vs. intolerance—Truth.

Life changing Gospel messages reaching thousands daily via our radio and online broadcasts and our podcasts.

SOUND DOCTRINE PREACHED

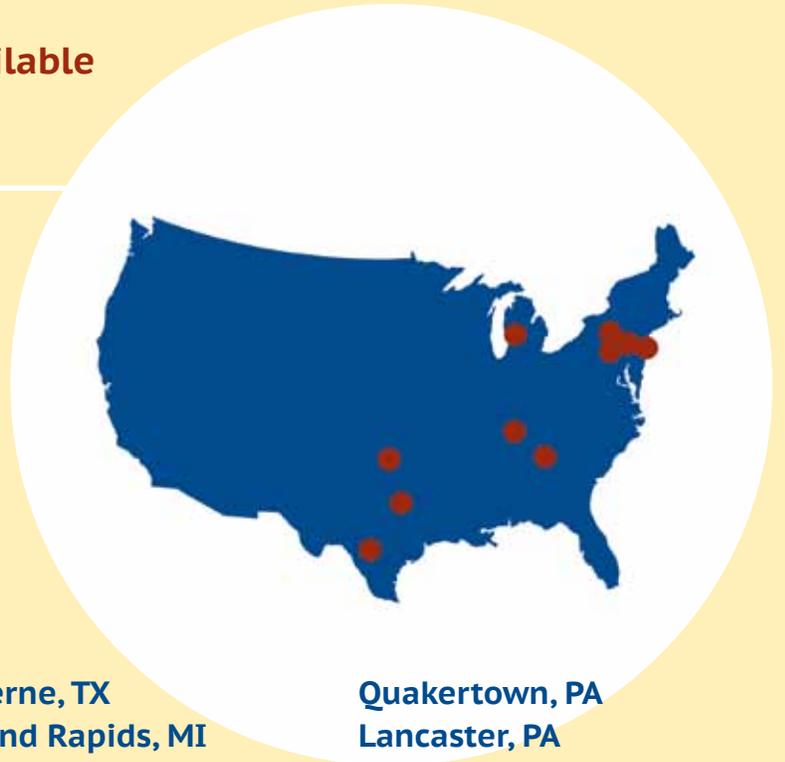

Alliance Events provide the person-to-person contact that our other programs cannot. They encourage Alliance members by assuring them that they are not alone and by allowing them to make contact with other conference goers and speakers. These contacts often bear unexpected fruit. Events grow each year, and we are excited to be offering more than 11 events in 2015 plus many Reformation Society gatherings.
