

Raising Our Voice

We're living in an age where the Church's voice is in decline and unbelievers are rarely hearing the Gospel. This is both troubling as well as an amazing opportunity. The world needs a strong voice of sound doctrine and the Alliance is RAISING OUR VOICE!! The Alliance is:

Sharing the Gospel
Proclaiming Biblical Doctrine
Engaging the Culture
Equipping the Church

Radio is an incredible way to share the Gospel. It's like street corner preaching — an ordinary means of grace that changes hearts and minds by simply hearing the Word of God! The Alliance broadcasts:
